Only Small Vermont Town to Win Flag for Clean Up Campaign

American Flags, with poles and cords, have been awarded to the school children in the following towns, of 5000 or less population; in New England for conducting excellent Clean Up and Paint Up Campaigns this year: Branford, Conn., Hinsdale, Mass., Kittery, Me., Yarmouth, Me., Orleans, Vt., Warren, Me.

The flags, which are 6 feet 6 inches long by 4 feet 4 inches wide, were offered by the New England Clean Up and Paint Up Campaign Committee.

The judges decided that the town of Orleans, Vermont, had conducted the best organized, most thorough and most educational campaign for cleanliness and brightness of any town in New England of 5,000 or less population.

The judges making the awards were: Mrs. John B. Hall of Roxbury, Mass., Mrs. L. P. Foster of Manchester, N. H., Miss Mabel Frost of Lawrence, Mass.

The contest was judged from written reports giving outlines of the campaigns; also from scholars' service report slips filled in by the pupils covering their activities.

Forty-seven towns conducted Clean Up and Paint Up Campaigns in addition to 116 cities that competed for the Silver Cup, which was awarded to Lynn, Mass.

Business in Orleans.

The Parker-Young Co. has been installing machinery for making two new articles for household use which should find a ready market. A folding screen covered with enamel cloth or other material is one. The frame is substantially made of wood securely glued and nailed and has a very ingenious double hinge that makes many positions possible. A folding table, with three-ply veneer top, covered with enamel cloth or felt as desired, has folding legs which lock in position, is a very strong yet light table. The many ingenious devices and machines for making these articles in quantities are a credit to the superintendent, E. E. Doe, and his able assistants.

The back factory was steamed up this week to try out the many pipes. The dry kiln roof will be water-proofed and it is now planned to begin making backs as soon as preparations can be completed. This is welcome news to the people of Orleans and the entire community. It will mean employment for many more people.

ORLEANS

Band concert Thursday evening in Railroad park.

T. Belval has been visiting relatives in Canada this week.

Hang out your flag Saturday. The governor will be here.

James Fassett of North Carolina is visiting Lindell French.

Gov. Hartness to Come to Orleans July 22.

Arrangements have been made for the ceremonial laying of a corner stone of the new Orleans high school building Saturday afternoon at 3:00 o'clock. His Excellency James S. Hartness and Commissioner of Education Clarence H. Dempsey have both accepted invitations to be present and address the meeting.

PROGRAMME

Music, band; invocation, Rev. A. J. Ward; announcement, O. Dean Mathews, president of Alumni association; reminiscences, J. H. Bartlett; song, "Our Country's Flag," grades; address, Clarence H. Dempsey, commissioner of education; music, band; school history, C. V. Willey, compiled by Miss Florence Gillis; address, Governor Hartness; music, band; laying of corner stone, Governor Hartness; school songs, high school; music, band.

This will be an occasion of unusual interest, not only to the people of Orleans but to the entire community. A most cordial invitation is extended to everyone to attend this notable event in the history of education in Orleans.
